

Psalm 104:1-19

1.O bless the LORD, my soul! O bless the LORD! O LORD my God, you are ~ ver - y great!
 4.He makes his hosts of an - gels spir - its, and his ho - ly min - i - sters a flame of fire.
 8.They climbed the moun - tains. They went down the vales un - to the place which you pre - pared for them.
 13.He from his cham - bers wa - ~ ters the hills. The earth is filled with the fruit of your works.
 16.The trees of the LORD are well sat - is - fied, the ce - dars he plant - ed in Leb - a - non,

You are at - tired with maj - es - ty and hon - or, 2.cov' - ring your - self with light as with a gar - ment,
 5.He laid the foun - ~ da - tions of the earth ~ that it should not be moved ~ for - ev - ~ er.
 9.You set a bound that they may not pass o - ver, that they may not re - turn the earth to cov - er.
 14.He makes the grass to grow to feed the cat - tle, and all green plants to be to man for ser - vice,
 17.in which the birds of heav - en do their nest - ing. The stork con - structs her home a - mong the fir trees.

and stret - ching out the heav - ens like a tent, 3.lay - ing the beams of his ~ cham - bers in
 6.You cov - ered it with the deep as a cloak. The wa - ters stood a - bove the moun - tain - tops.
 10.He sends the springs in - to the vales. They flow a - mong the hills. 11.They're drink for ev' - ry beast.
 that he may bring forth food out of the earth, 15.and wine to make the heart of man re - joice,
 18.The high hills are for the wild moun - tain goats. Rock bad - gers find a ref - uge in the cliffs.

the wa - ters, and ma - king the clouds his char - iot, walk - ing up - on the wings ~ of the wind. ~
 7.At your re - buke they fled a - way in ter - ror. They hast - ened from the sound - ing of your thun - der.
 Wild don - keys quench their thirst. 12.The birds of heav - en by them re - side. They sing a - mong the bran - ches.
 and ol - ive oil to cause his face to glist - en, and bread to make the heart of man be streng - thened.
 19.Be - hold the moon for sea - sons he ap - poin - ted. The sun dis - cerns the time when it should go down.
